Operator

## CONTACT INFORMATION

Email: adomas500@gmail.com

Address: , Worcester, WR5

3BW Phone: 07518077177

Date of birth: 15 Dec, 1995

Nationality: Lithuanian

## OBJECTIVE

I have worked under extreme pressure successfully achieving and breaking unbelievable targets to help business during hard times. Recognizing patterns for the best efficiency and saving valuable time and money.

Always looking to learn new skills, take on extra responsibilities.

Experienced in training new team members.

Have trained many people up to good standard and supervised people, helping and teambuilding.

Checking and managing stock levels daily and adjusting production plan accordingly regarding customer needs.

Actively reporting ongoing situation and arisen issues.

Perfect attendance to work.

Goal oriented and self reliant.

Have played team sports for more than 10 years which are transferable skills that contribute to any business environment.

Have business experience in a sense of small, family business environment covering full processes from sourcing, manufacturing to distribution and retail.

Taking 5S activities seriously.

## EXPERIENCE

### Droitwich

Dec 2019 - Present

### Machine Operator

Grupo Antolin UK Limited

- Inspecting and cleaning the machines at the end of the day's work . Preparing machines for the following day.
  - Monitored various machines as they completed tasks and made readjustment when problems occurred
  - Ensured that all machines and equipment had routine maintenance and repairs when needed, including health and safety critical features (e.g. Filter changes, blower motor fails)
  - Ensured safety and cleanliness of the area around the machine to eliminate any possible risk or injury or any other long term health consequence.
- Planning and predicting production to meet requirements of the business and managing workload of the team.
- Managing stock levels and working with a team to make and execute a plan with the best course of actions.
