Profile

I am an ambitious individual and would like to be able to expand my knowledge further in costumer's services and communal buildings sector. I see this as an opportunity for career progression within my role.

I am a team player who is both hardworking and reliable. Previous positions have demonstrated an effective technical awareness of project delivery, an appreciation of Health and Safety requirements and the ability to work within teams delivering high quality building renovation projects.

Career history

- Thames Group**
- Brakes Ltd**
- John Lewis**
- Donoghue waste management**
- L&Q DIRECT MAINTENANCE**
- ON AIR DINING**
- CLARION RESPONSE**

Thames Group

I am currently working for Thames Group as an LGV Class 1 Driver. My daily routine includes a variety of deliveries to Supermarkets in bulk driving and reversing the articulated lorry into loading bays and various locations.

Brakes Sysco Ltd

I previously worked for Brakes Ltd in London as an LGV Driver. My daily routine includes a variety of deliveries in Hotels, pubs, restaurants, universities, colleges of frozen and chilled food. On a daily basis I follow all the procedures of driving HGVs and maintaining the right temperature for the fridge freezer.

L&Q Direct Maintenance

- I previously worked for L&Q Direct maintenance in North London. My duties include a wide variety of tasks such as Inspection of properties and communal buildings.
- Arranging with residents and operatives how the jobs are going to be carried out.
- I inspect, undertake and complete jobs in carpentry, plumbing as a multi-skilled Technician.
- I am responsible for liaising with tenants in terms of repairs and how the housing standards comply with their accommodation.
- Arranging for contractors-specialist trades where needed, the time and the size of work to be carried out.

Clarion group (Clarion Response)

- I previously worked in the Hertfordshire division of Clarion Response. My duties included a wide variety of tasks following the weekly inspection of job sheets such as the below:
- Domestic property maintenance and repairs in order to provide a quality 'first time fix'
- Voids and reactive jobs.
- Garden maintenance including fence repairs.
- Working independently when required and taking responsibility for managing own workload to a high customer service standard whilst ensuring good job turnaround times and keeping set appointments.
- Sep 2019-Present: Diploma in Electrical Installations Level 3 Buildings and Structures, HRC College, Hertfordshire
- Sept 2005- Jun 2007: Sixth Form College, Ioannina, Greece.

Education

Qualifications

- GCSE Herts Regional College (English and Maths)
- Award in Health & Safety in Construction Environment
- Hold a clean UK DRIVING LICENCE (LGV Class 1 & 2)
- UK Driver Qualification Card (CPC training)
- UK Digital Tachograph Card
- PASMA Course
- First Aid Course

Skills

- Excellent use of Microsoft Office applications, good use of AutoCAD and good use of GIS.
- Excellent understanding of Total Mobile Applications and Civica Applications.
- Currently working towards BS7671 in Electrical Installations, Buildings and Structures.

Achievements

- While studying I was a part-time assistant in a Geology Mechanics laboratory. I had responsibility for daily operations and guiding students on health & safety precautions as well as material classification, testing and handling.
- Team leader of a summer camp which entailed looking after groups of children aged between 10-16 years. My duties consisted of teaching daily activities and helping them to learn good teamwork skills.
- After intensive training and dedication, I was rewarded with the boxing champion of my local club in 2013 in Greece.

Interests

During my spare time I enjoy reading, going to the gym, cooking, travelling, playing football and going to the theatre.
