Website: <https://www.solihullsf.ac.uk>

WORK EXPERIENCE

Infantry Soldier

HM Armed Forces (British Army) [18/02/2012 – 04/02/2023]

City: Salisbury

Country: United Kingdom

Company Quartermaster Sergeant Technical - Responsible for the management of the Armoured Vehicle Fleet (Warrior, Bulldog, Scimitar). Ensuring maximum fleet availability whilst overseeing maintenance, repairs, modifications, testing and all aspects of health and safety and risk management. Confirm personnel have the prerequisite qualifications and skillset to operate the vehicle and respective weapon systems and develop accordingly. I have had an extremely diverse and rewarding time serving within the British Army and my roles and responsibilities have been multidisciplinary and expansive with many highlights and many HGV associated tasks. Having deployed on numerous occasions overseas, both on exercises and for operational requirements, my service was recognised and I was awarded an MBE in 2019.

Operations manager

Leather Sofaworld Ltd [31/07/2007 – 31/12/2011]

City: Birmingham

Country: United Kingdom

Coordinating stock procurement, sales, logistics, manpower requirements and controlling day to day operation. As a close-knit team we grew the business from start up to a multimillion turnover. Loading and unloading of containers, white fleet and delivery of goods were a daily task.

Postgraduate Research Scientist

Cranfield University Institute of Bioscience & Technology at Silsoe Campus (now Cranfield Health) [31/08/2002 – 21/06/2007]

City: Cranfield

Country: United Kingdom

Develop novel approaches to manufacturing procedures and practices. Investigate immobilisation and interrogation methods at electrode surfaces. Independently tailor the direction of the project and liaise with partner institutes throughout Europe to achieve common goals. Professionally report in a timely fashion and produce literature that achieves publication in high impact relevant journals to secure future investment and funding.

PERSONAL STATEMENT

Background Information

Recently relocated to Dorridge, Solihull.

'On road' experience of Class 1 trunking / curtain side / double deck / coupling, uncoupling procedure from Andover to Lichfield (Fradley Park).

Maritime experience with delivery of Armoured vehicles via low loader to Marchwood as well as various sites throughout UK, Europe and the Middle East on Road.

Extensive Class 2 experience operating Troop Carrying Vehicles, 6T Load Carrying Vehicles, Pantechs, Rigid Box Trucks and various Armoured platforms.

Possessing a rich Academic and Industrial heritage with a wealth of knowledge and experience from a wide range of sectors not limited to: R&D Laboratories, Warehouses, Factories, Pubs, Restaurants, Nightclubs, Logistics and Supply, Supermarkets, Haulage, Maritime, Councils, & Conflict zones. I have a versatility and adaptability that is unrivalled. Happy to follow direction and instruction and further diversify my skills portfolio. Regularly employed in multiple job roles simultaneously, in particular, to fund my education.

Amiable and flexible and used to long hours, pressurised time scales and stressful environments. With a calm demeanour I take it all in my stride with mental and physical robustness.

Diligent, proactive, professional, punctual, loyal, disciplined, health and safety focussed and seeking a career transition with a long term commitment.

Available for an immediate start and will prove my worth.

Many thanks for your time and attention.
