Work Experience

Taxi Driver

Alpha Taxis - Liverpool

August 2020 to Present

Production Operative

JLR - Halewood

June 2019 to August 2020

I started through the manpower agency and then Covid hit and unfortunately got made redundant. I had various roles whilst there including Quality inspection and different process roles in Body in white and also in Paint

Taxi Driver

May 2004 to June 2019

A taxi driver driving for Alpha taxis liverpool. My working week consists of approx 60-70 hours

Warehouse Supervisor

A.P.R. Plastics LTD

March 2000 to April 2004

My role as supervisor involved processing orders and goods received, working closely with production manager to ensure everything was in place to fulfill the customers orders. Organising transport and packaging, liaising with customers regarding deliveries and general organisation of warehouse space and stock control.

Production Operative/Quality Inspector

A.P.R. Plastics Ltd. - Liverpool

May 1996 to March 2000

A.P.R. Plastics was a manufacturer of automotive components supplying major companies such as Jaguar, Honda and Aston Martin. In my time at A.P.R. I had numerous roles which involved working on injection moulding machines, assembling components and also inspecting finished products prior to despatch.

Education

Speke C.C.S. - Liverpool

September 1988 to July 1994

Certifications and Licenses

Hgv class 2

Present

CPC (Driver Certificate of Professional Competence)

Present

Additional Information

I am a very hard working individual with a keen eye for detail. I am used to working long usually unsocialable hours in my current employment. I also have a lot of experience in the automotive industry.
