Work Experience

LGV Class 1 Driver

Owens Group - Llanelli
April 2023 to Present

General haulage, delivering products across the UK. Days nights and weekends. Daily vehicle checks, reporting defects, completing relevant paperwork. Timed deliveries. Use of technology to submit PCD's and delivery information.

Class 1 Milk Tanker Driver

Wincanton - Cross Hands
July 2021 to March 2023

As a LGV class 1 Milk Tanker Driver, it is my responsibility to collect milk from farms across Wales. I am highly trained on Tanks and pumps, weather it be collecting milk from farm VATS or the transhipment of milk to reload trailers. It is my responsibility to make sure the milk is collected at the right temperature and samples taken to ensure the milk is ok for human consumption, correct and relevant paperwork is completed and good face to face communication with customers. I must use my own initiative throughout my working shift, problem solving and being able to keep the operation running smoothly is key. I work days, nights and weekends, I am fully trained on DCPC and at the same time hold a good knowledge of the WTD. I'm a competent user of the digital tacho, and have good knowledge of our national and international roads.

Class 1 Driver

Free lance agency driver - Llanelli
September 2016 to July 2021

As a free lance agency Driver, I work for several different haulage companies/Agencies throughout Wales and England. I work days, nights, shifts, and tramping. I have 14 years experience in general haulage, milk tankers, ADR (licence expired) tippers, fridge and courier work. I have experience in international driving from my 9 year military career. Easily trained and always keen to learn and gain extra qualifications.

Class 1 & 2 Driver

Lloyd Fraser - Crosshands
April 2015 to September 2016

Class 2 milk tanker driver, farm collection. Collecting milk off local farms, this consists of calculating literate from collections and deliveries, operating pumps & computers, delivering to major dairies in the area & managing paperwork. We collect milk for a major milk provider Arla.
