Profile		
A well self-driven driver with 7 years driving experience. In my seven years of driving I always adhered to the road rules and ensured that I apply emergency skills when needed this has always been top of my priority. Not afraid of change always willing to learn new skills that could be beneficial to my career and to improve in my driving skills. Always creating the opportunity for creative thinking and effective communication platform and relationship between me and the stakeholders. I'm a team player and manage time effectively, always go extra mile on the task given to ensure that the final product is of an exceptional result.
