Personal Statement

I am currently studying a Level 2 Certificate in Animal nursing at Achievement Training. I have completed 60 hours work placement as part of this course as an animal care assistant in the animal care unit of ATL. I'm currently looking after feeding and caring a wide range of reptiles and animals ensuring their habitat and enclosures are kept healthy and clean. Plus general care I have many tasks to complete within a day which I can work well on my own or as a team to complete all jobs.
