PROFESSIONAL SUMMARY

Customer focused HGV Class 2 Driver delivering wholesale food supplies to the catering industry. Experienced in delivering to various customers & sites, ranging from hospitals & schools, to army barracks & airports. I'm currently driving over 150 miles a day completing 12 drops a day on average.

I obtained my HGV Class 2 license in February 2006 and my Class 1 license in July 2023

EMPLOYMENT HISTORY

HGV Class 2 Delivery Driver

March 2023 - Present

Brakes, a Sysco company - Harlow

Driving HGV Class 2 temperature controlled trucks delivering chilled, ambient & frozen products.

Key Responsibilities

- Complete truck safety pre-checks before leaving the depot and post-checks once returned to the depot.
- Ensuring the products are delivered in A1 condition, and are within the required temperature range.
- Ensure all cages / pallets of goods being delivered have been loaded onto the vehicle correctly and are safely secured with straps before transit.
- Unloading cages and pallets via the tail lift to the customer in a safe manner.

Configuration Engineer

March 2004 - March 2023

Computacenter UK Ltd - Hatfield

Configuring and pre-imaging customer devices that were delivered to users as replacement devices the next working day.

SKILLS

- Punctual & reliable
- Team Player / Assist when needed
- Able to work under pressure
- Problem Solving

EDUCATION

Monks Walk Secondary School - Welwyn Garden City
