SKILLS

- Strong communication and interpersonal skills
- Excellent customer service skills
- Proven ability to work well in a team environment
- Familiarity with point-of-sale systems
- Ability to prioritise and manage multiple tasks effectively
- Cash handling

ADDITIONAL INFORMATION

I am familiar with UK employment laws and regulations and am able to provide the necessary documentation, such as a National Insurance number, to work legally in the UK. I am excited about the opportunity to bring my skills and experience to your team and contribute to the success of your company. Thank you for considering my application. Sincerely, David Onwuka

AWARDS

- Participated in a school fundraising initiative, where I successfully sold products to raise funds for the school.
- I play for a football team called sfx, I see them as family

EXPERIENCE

September 2023 - November 2023

Restaurant Assistant / Take out ., Coventry

- My first job where I assisted customers with their purchases and maintained the store's inventory.
- Received, processed and organised deliveries within tight deadlines.
- Cultivated excellent customer relationships by providing helpful, friendly and attentive service.
- Kept up-to-date on available inventory and new stock lines to efficiently answer customer questions regarding purchasing options.

April 2023 - July 2023

JD sports sales assistant ., London

- One significant experience from working in retail could be developing strong interpersonal and communication skills.
- Provided helpful, attentive sales support to generate positive customer feedback.
- Processed cash and card payments during busy shopping periods to minimise customer waiting times.

October 2022 - March 2023

M&S sales assistant ., London

- Boosted sales and improved customer satisfaction by providing attentive, personalised client services.
- Addressed and resolved complex customer complaints in calm, efficient and friendly manner.

April 2022 - September 2022

Chicken shop Gio, London, Greater London

- Determined optimal mix and levels of stock to meet demand and minimise costs.
- Stored stock safely and securely to maintain quality of goods.
