Profile Summary

Experienced Transport Manager with over a decade in logistics and fleet management, specialising in optimising transport operations for efficiency, compliance, and cost-effectiveness. Proven ability to lead teams, manage large fleets, and ensure seamless operations in high-demand environments. Skilled in utilising transport management systems, enhancing route planning, and maintaining high safety standards across multiple depots.

Professional Experience

Transport Manager

FreshLinc, 2021 - 2024

- **Managed two depots with a combined fleet of 30 trucks, overseeing daily operations, scheduling, and logistics.**
- **Implemented cost-saving strategies, reducing fuel and maintenance costs through improved route planning.**
- **Maintained compliance with safety and regulatory standards, conducting regular audits and driver training.**

Logistics Manager

Transflora, 2018 - 2021

- **Supervised a fleet of 25 trucks, focusing on optimising logistics and ensuring timely deliveries.**
- **Coordinated with cross-functional teams to improve operational efficiency and customer satisfaction.**
- **Led initiatives in fleet maintenance and driver performance tracking, resulting in a 15% reduction in delays.**

Transport Manager Nvirocycle, 2014 – 2018

- **Managed 13 trucks, optimising scheduling and logistics for waste collection and disposal services.**
- **Improved fleet utilisation through proactive maintenance and strategic route adjustments.**
- **Established KPI monitoring, enhancing efficiency and safety standards across operations.**

HGV Driver DHL, 2010 – 2014

- **Gained hands-on experience in transport and logistics, ensuring timely and safe deliveries.**
