I am a class one and two driver. I am a quick learner, careful and like to do a job properly. I also hold my EPIC card. I have experience in wagon and drag, delivering plant machinery, fridges, skips, recovery and flatbeds. I have no worries when it comes to strapping and securing loads. I have done class 1 tipper work running stone and muck.

I have full CPC and digi card.

Apart from this I am willing to learn and do my best at anything I come across and not afraid to do new things.
