

Jake Houlton

Hard working, reliable and versatile

Dudley, UK

jakehoulton024@gmail.com

+44 7306 052229

I am an enthusiastic person who has the ability to work as part of a team and under his own initiative. I'm individual, who has excellent communications skills and is reliable, driven and has the willingness to learn new things and not afraid of challenges. I like to think of myself as a quick learner who has a lot to give.
