Personal Profile

A highly professional, responsible and proactive individual who has previous experience as a Class 2 driver along with tipper truck work and currently seeking a new and challenging opportunity in class 1 driving I have very little experience. I have developed and perfected a range of transferable skills from my previous employment; ready to take forward, utilise effectively and contribute to the successful running of the business. Customer focused and enjoyment of driving, clarity and accuracy with road systems and navigation. I thrive taking on new challenges, able to adapt easily to new working environments. Experienced with loading and unloading and multi dropping of items. I understand the importance of continuous professional development and I am willing to undertake any training necessary. Given the opportunity, I would undoubtedly prove to be an invaluable addition to the team.
