JAMIE PHILLIP GRONERT

PERSONAL

I am an honest, hardworking, decisive and vigilant class 1 + 2 vehicles driver with over 11 years' experience in driving various HGV vehicles from side curtain trailers to tippers and tankers. Great communicator with organisational skills and dependable. I am ready to put my skills and experience to deliver on deadlines, and work effectively and efficiently.

HGV CLASS 1 DRIVER – CAMPS TRANSPORT 2018 - 2022

- Delivering and unloading of scrap metal to and from a COMAH Tier 1 Steel plant
- Obeying and observing day to day road rules
- Maintaining a safe driving and safety record
- Demonstrated ability to deliver to suppliers and long-distance driving when needed to, all to a deadline
- Always Protecting customer and business interests
- Safely and maintained reporting of vehicle tipper inspections during use.
- Full compliance with Tachograph

HGV CLASS 2 DRIVER – TOTALLY WELSH 2018

- Inspected and maintained vehicle and safety reports provided to Line Manager
- Efficient routes selected on deliveries to customers to keep to deadlines
- Obeyed the rules and safe driving practices of driving a Tanker across Wales
- Load and Unload of product safely and effectively
- Follow all company compliances on H&S and Fuel policy
- Customer service undertaken when dealing with customers.

HGV TIPER DRIVER – CUDDY 2016 - 2017

- Ensured paperwork was all completed
- Vehicle inspections completed on start and end of each shift
- Communicated with clients effectively and professionally
- Assessed vehicle weight to ensure H&S compliance
- Secured loads to eliminate damage and risk

HGV CLASS 1 DRIVER – OWENS 2011 - 2016

- Utilising a safe practice during unloading and loading on a side curtain HGV Vehicle
- Maintaining a safe driving and safety record
- Demonstrated ability to deliver to suppliers and long-distance driving when needed to, all to a deadline
- Always Protecting customer and business interests
- Full compliance with Tachograph
- Following all company policies on H&S and compliance

CARPENTER – R&H CARPENTRY 2007 – 2010

- Crafted and designed bespoke products for retail and domestic customers
- Completed snagging and achieve high finished results
- Maintained and completed safe ways of working using safe practices and safe tools
