Professional profile

An enthusiastic and professional HGV Class 2 driver, looking for a suitable challenging role and experience. LGV training through the government approved National Driving Center. I am also a qualified First-aid-er and engineer. I am quick to grasp new ideas and concepts, with the ability to develop innovative and creative solutions to problems. Able to work well on my own initiative 24/7 and can demonstrate the high levels of motivation required to meet the tightest of deadlines. Even under significant pressure, possesses a strong ability to perform effectively. Travel long distances and On-Call.

Objectives

I am aiming to utilize extensive skills and experience within a suitably challenging role. Keen to develop my skills and career as a LGV driver.
