CAREER OBJECTIVE

I have over 22 years of experience as a Global Security Manager with extensive personnel development, training, and project/General management expertise, derived from a career in the British Army and Management overseas.

As an expert in international management, I have been tasked with the management and safeguarding of sites and personnel Globally.

Currently, the Global Security Manager for Human Appeal (NGO), where I have placed all effort into gaining a respectable relationship with employees and clients as a whole. I have handled each assignment with the up-most diplomacy and personally oversaw the deployment of specialist humanitarian teams in politically and culturally sensitive environments. Ensuring the compliance and standard operating procedures are followed and adhered to at all times

All future roles will be conducted to the exacting standards and with the highest level of professionalism, which has been the "*modus operandi*" throughout my extensive career

PROFESSIONAL PROFILE

A positive, result-driven and certified Global Senior Security Manager. Highly professional and experienced in working in demanding environments including hostile areas, with both commercial and diplomatic organizations, possess excellent interpersonal, communication and negotiation skills with the ability to develop and maintain mutually beneficial internal and external relationships. Enjoys being part of and as well as motivating and leading a successful and productive team whilst thriving in high pressured areas.

Experienced in working at the senior highest of operational levels assisting the coalition military command as a Subject Matter Expert on contracted operations within a multi-disciplinary and multi-cultural environment, subsequently received a commendation from the Chief of Operations for my efforts **Conclusion**, you can be assured that you will be gaining a professional, highly disciplined, loyal and dedicated individual, with respectful references

PROFESSIONAL EXPERIENCE

Global Risk Safety & Security Manager

Dates: December 2017 to current

Employer: Human Appeal (NGO)

Location: Global

As the Global Safety & Security Manager (GSM) I am the organization's lead on all safety & security matters and ultimately I work to support a positive and relevant security culture. As the Global Security Manager, it is my responsibility to coordinate and central oversight of security management and to ensure the maintenance of security standards across all the circa 27 International Secretariat locations, including identification, assessments, and mitigation of threats to staff while in office or the field, and to provide advice, as appropriate, to third parties whose security risks may be increased as a result of interaction with Amnesty.

As the Global Safety and Security Manager I ensure that the correct Global Safety and Security protocols and procedures are in place at both the UK and Field Office level at Human Appeal by understanding and keeping up to date with legislation and best practice standards to develop and implement appropriate policies, ultimately ensuring that Security and Safety are key features in the design of all HA projects and interventions to successfully safeguard and protect HA staff and service users and HA's global reputation for good practice.

Managing Director Security South Iraq

Dates: August 2010 to 2017

Employer: Kalejadan Security Iraq

Location: IRAQ Nation Wide

I was accountable for the commercial growth and development of an indigenous company providing mobile, static and offshore security services to a variety of clients in southern Iraq. Consists of the companies contracted to the rebuilding of infrastructure in the Basra / Baghdad Regions such as port facilities and power stations, whilst continuing to support and expand our existing IOC customer base.

I Completed a fiscal overview of all client accounts, circa \$250 million and all project expenditures including expatriate payroll, circa \$50 million annual. I had a Strong multi-national client-facing liaison, all pricing policies, and commercial proposals, including technical specifications. Deputizing as the Chief Executive Officer, I was highly versatile at providing leadership, guidance and support to operational and project management, circa 1700 employees, including the improvement & implementation of company policies and procedures.
