Personal Profile

I am a hardworking, reliable, and trustworthy person who is looking to transition into professional driving career. I have recently passed HGV Class C+E driving licence and obtained digital tachograph and driver CPC card while holding a clean licence without points/endorsements for over 5 years. I always demonstrate an excellent attendance record at work also working overtime hours to support the business needs when necessary. I would welcome any opportunity that a future employer could offer and would assure them that I would not let them down in any way.

Work Experience

KP Snacks – Machine Technician/Equipment Owner 2019 until present

I am competently operating numerous machineries, carrying out any assigned operation/tasks while maintaining excellent housekeeping, health & safety, and hygiene standards. As a machine technician, I constantly thrive to improve line performance and efficiently, often resolving running problems or issues. I conduct all testing procedures for products as and when required ensuring all stages of work are checked against quality standards. In 2021, I became an equipment owner for a production line undergoing 16-week training learning all the procedures including maintenance of the line and problem solving which allowed me to leverage the performance by demonstrating Technical Mastery.

Greencore Prepared Meals- Various Roles within Hygiene Department from 2013-2016

Hygiene Operative 2013-2016

I was undertaking all aspects of cleaning food manufacturing areas including machinery and equipment ensuring food hygiene standards were always met in line with busy schedule of factory operations.

Hygiene Assistant Supervisor 2016-2017

As well as doing everything listed above, I was responsible to cover for a supervisor when required ensuring smooth running of the shift and managing a team.

Hygiene Supervisor 2017- 2019

Upon promotion to a full time Hygiene Supervisor I was granted more responsibilities at work. I direct and monitor the team's delivery of the day to day hygiene activities, in line with the master schedule; ensuring operational integrity meets the standards set in SHE policy. I also plan and

coordinate the hygiene aspects of external audits and I work closely with senior management teams to achieve the best possible results.

Phileas Fogg- Production Operative 2012- 2013

I worked on a busy production line; duties included working across a variety of departments such as packing, stores, warehouse and hygiene.

MotoX World- Customer Assistant 2011-2012

My general duties included dealing with customers advising them on a complex subject of motorbike parts and accessories. I was responsible in handling money and managing the stock.
