EXPERIENCE

December 2021 - Current

Assistant Landscaper *CJ GARDEN*, Benson, South Oxfordshire

- Planted new bulbs and shrubs to create full and cohesive appearance of area, blooming during right season.
- Backfilled and watered soil to prepare for planting trees and strengthen foundation.
- Supervised and trained contractors, maintaining excellent working relationships through constructive feedback.
- Maintained exceptional external presentation of buildings to keep appealing appearance and aesthetics.
- Performed tool, equipment and machinery maintenance, repairing and servicing tasks to maintain excellent working order and reliability.
- Mulched garden beds and weeded borders to suppress weeds, save water and improve soil, maintaining plant health.
- Aided tree surgeons to remove diseased trees or damaged branches to avoid termites and bugs.
- Removed and disposed garbage and waste to avoid contamination and maintain clean environment, practising recycling measures.
- Maintained garden beds and grassed areas through installation and operation of irrigation systems.
- Installed, repaired and maintained fences, gates and signage to manage wear and tear, reducing deterioration.

October 2020 - November 2021

Landscaping Operative *JRAE PAVING*, Beaconsfield ,
Buckinghamshire

- Consulted with clients to better understand garden needs, vision and requirements.
- Used wide range of tools, horticultural machinery and powered hand tools to complete garden projects.
- Monitored inventory to identify low stock items and make orders to fulfil job requirements.
- Complied with health and safety using equipment and tools and wore protective clothing.
- Stored tools securely after use to limit exposure to weather elements and prevent damage.
