Profile

I've worked with many different vehicles over the years in many different industries such as skips, dust carts, supermarket deliveries, pallet deliveries, building materials/plant, drainage engineer & scaffolding. Due to working for driving agencies I have been able to experience these different vehicles, loads & aspects of work. I'm flexible with my work schedule & would be available to work days, nights & weekends if needed.

Skills

I'm a reliable person, good team member, punctual, hard working & willing to learn any new skill.

I hold a clean HGV class 2 driving license.
5 years CPC.

Digi Taco.

5year cscs (green)
