Lee Wright

Postman Royal Mail.

Profile

Friendly trusted hardworking Postman with 25+ years experience .

I am now looking for a career change and after passing my Class 2 I am eager to start on my new exciting path.

My goal eventually is to progress onto Class 1 work.

I am Hardworking and passionate and after 25+ in Royal Mail I have a lot of experience within the logistics and parcels business, working in a fast paced organized environment.
Ready to help the team achieve company goals.

Organized and dependable with a positive attitude always giving 110% in everything I do. Willingness to take on added responsibilities to meet team goals and go the extra mile.

I am committed, loyal with a great work ethic.

Thanks for reading!

Experiance

Postman / Postal Worker | Royal Mail Group

Altrincham, Trafford, April 1999 - Current

Working effectively in fast-paced environments.
Learned and adapted quickly to new technology and software applications.
Assisted with day-to-day operations, working efficiently and productively with all team members.

Strengthened communication skills through regular interactions with others.
Organized and detail-oriented with a strong work ethic.
Working within a team enviroment and on my own.
