Work Experience

Driver/streetscene

Hull City Council - Kingston upon Hull
January 2022 to Present

Drive the 3.5t vans to and from the depot to where we are working that day, filling and emptying the vans at tip, litter picking, collecting fly tips, grounds maintenance

Kitchen Team Leader

Stonegate Pub Company - Kingston upon Hull
December 2013 to December 2021

Sutton Fields -

Responsible for the daily efficient and effective work as a kitchen member, including food preparation and supervision of the catering staff I worked alongside, beginning training for management through staff training, ordering, stock taking, and delivery collection, I have been front of house for the past year in a deputy managers position but my passion has always been in the kitchen, I have managed and ran the team successfully while the manager has been away, training new team members, ordering stock, counting stock, cashing up, running the business from start to finish, completion of end of week, and communicating with my area manager to get the best out of the team to create as much sales as possible.

- Responsible for maintaining high standards of food hygiene.
- Ensuring high standards of food quality from point of purchase to meal preparation, cooking and service.
- Liaising with cooks and kitchen staff on a daily basis.
- Advising customers on meals and beverages.
- Monitoring the quality of food.
- Ordering supplies when required.
- Taking action to investigate and address all non-compliance of health and safety guidelines.
- Involved in providing advice and opinion on the introduction of new products, meals and services.
- Training new staff to a suitable standard
- Dealing with customer complaints.
- Ensuring compliance with the Alcohol Licensing Act 2003.
- Responsible for the security and maintenance of the catering and dining area.
