## 👤 PROFILE

Hello and thank you for taking the time to read this , I am newly passed HGV driver with a clean licence simply looking for an opportunity in a new industry. As an outbound ship clerk for amazon I already work in a relative industry to the job role I am applying for and have relative knowledge that would assist in the job . I would consider myself a very reliable and punctual individual who has good communication skills that have been developed throughout my current occupation. Given the nature of the industry I can be very flexible in regards to start and finish times and shift patterns.

## 📁 EMPLOYMENT HISTORY

### Ship clerk at Amazon, Durham

October 2020 — Present

A critical role within the department I work in, acting as a point of contact between indoor operations and outdoor operations working closely with managers and team leads to ensure the efficient running of the shift.

My job as a ship clerk consists of many roles and comes with high responsibility , some of these relatable duties being

- direct communication with drivers and carriers
- safe loading of trailers and making sure they depart on time.
- handing out the correct paper work.
- Signing off on loaded vehicles ensuring they are safely loaded before departing.
- Great communication skills
- Helping drivers with queries in regards to driving time.

### Bakery assitant at Cooplands, Durham

June 2018 — October 2020

A very team orientated job role , often working efficiently as a team to compete time set objectives to meet the company needs.

- Health and safety - A major factor in this type of environment , having great awareness of your surroundings especially when working around high risk machinery.
- Forward thinking - Involved working in a team of three to four people completing shop orders as quickly as possible from an inventory order form .

## 🎓 EDUCATION
