PROFILE

I am a hardworking and creative makeup artist with one years experience in a range of makeup applications; including for shoots, film, fashion and light special effects as well as a range of hairstyling skills. I can confidently cater to a diverse skin tones and textures, as well as various hairstyles in a professional manner, and under time pressure. I have recently advanced my career into fashion and catwalk as well as working on a mental health film and would love to progress my career into production.
