Career Overview	I am a reliable and hardworking individual who has had many years of experience driving as a Class 1 HGV truck driver in England as well as other countries in the EU. I believe I have strong communication skills which enables me to build good working relationships with colleagues and management, which ensures the delivery of excellent customer service. I have a flexible approach to all duties and I'm adaptable to any changes that may arise during my shift. I am currently looking for employment within a new company that will enable me to make use of my current skills, develop new ones and make a valuable contribution towards a successful company and team. I am always happy to undertake any training if required and continue to update my professional development. I have recently just completed an ADR course in Core, 7 classes, packages, and tanks, in June 2022.
Key Achievements and Skills in my career	<ul style="list-style-type: none"> • I have worked in several different countries around the world as an employee or as a manager / owner running my own successful driving business. • I have good leadership skills which helped me to successfully run my own driving school. • Whilst working in different countries I have always emersed myself into the culture of the country I was residing in and dedicated time to learn the language enabling me to speak not only Portuguese but also Brazilian Portuguese, Spanish and English.
