Personal Profile

Throughout my working career I have always proven to be a hardworking, committed and loyal team player. I am capable of undertaking a number of different responsibilities, which have predominantly been within driving and transport sectors. I work efficiently and methodically to ensure I meet deadlines and targets at all times. I have excellent customer service and communication skills which would be easily transferable to other roles. I would also be more than happy to carry out a work trail in order to demonstrate these skills first hand.
