Work Experience

Demolition Labourer

July 2023 to October 2023

I worked for a property maintenance company, working in houses that needed extensions so i had to demolish walls. I also had to change the wall paper. I also did garden work for example trimming bushes and moving logs. I'm not afraid of hard work.

Since then I have completed a 2 year BTEC level 3 course in Sports and Exercise at Abbeyfield School, Northampton. Following that I have just returned from a Soccer scholarship in the US.

Now looking for work where I can expand and grow my experiences and my knowledge with an enthusiasm and willingness to learn.

Additional Information

I did various volunteering at schools as part of my BTEC course. I helped teach sessions in PE which also involved working with SEN students.

This shows great organisational and communication skills and that I have confidence in my ability to control and organise students to follow instructions during lessons.

I am now looking for work where I can expand and grow my experiences and my knowledge with an enthusiasm and willingness to learn.

I am also in the process of learning to drive and have my practical driving test booked in for the 24th November.
