## Experience

### Delivery driver 2023 - 2024

Worked as a goods delivery assistant as part of a team of two ensuring deliveries were made on time with extreme care. I also ensured that there were no damages. Moreover, when customers have specified a safe location I ensured I followed given instructions to ensure customer satisfaction.

### Painter 2020 - 2023

Completed a number of tasks and carried out the service required in a professional manner by quoting customers and giving accurate estimates and recommendations for type of paint depending on their needs and requirements. As well as, prioritising customer satisfaction alongside always aiming to go above and beyond when possible.

### Labourer 2019 - 2020

Worked on a jobsite as a team leader. These duties included: moving tools, ensuring batteries were getting charged and cleaning up when required to ensure and promote a safe and clean working environment. I also complied with safe PPE practices including wearing a hardhat and safety boots, alongside ensuring good lifting practices were also followed by the team to reduce likelihood and severity of all injuries.
