SUMMARY

An intellectually curious and self-motivated computer science graduate with passion for technology seeking a meaningful role to a begin a career in Information Technology and make a positive impact on customer experience. Skilled at developing and data analyzing code with willingness to travel and grow through continuous personal and professional development.

PROJECTS

Real-time Food Delivery System:

M.J.P Rohilkhand University • <https://github.com/coder-sagar-sketch/food-delovey-system-> • February 2023 - March 2023

- Developed a real-time food delivery system using React, Node.js, and MongoDB. The system enables customers to order food, track their order status, and make payments online.

• Contributions:

- Designed and developed the front-end of the web application using React.
- Implemented the back-end of the system using Node.js and MongoDB, allowing for real-time order updates and status tracking.
- Conducted testing and debugging of the system to ensure its functionality and user-friendliness.

Portfolio Website Project:

M.J.P Rohilkhand University • <https://coder-sagar-sketch.netlify.app/> • October 2022 - October 2022

- Designed and developed a responsive portfolio website using HTML, CSS, and ReactJS, with a focus on showcasing my skills and experience in web development. The website features a clean and modern design, an interactive navigation menu and a contact form.

Real Time Group -Chat Web Application:

M.J.P Rohilkhand University • <https://github.com/coder-sagar-sketch/Real-time-group-App.github.io> • May 2022 - May 2022

- Designed and developed a real-time group chat feature for a social networking website using Node.js, Js, and Socket.io. Utilized Node.js for server-side scripting and Socket.IO for real-time communication between the server and clients.

EDUCATION

Bachelor of Technology

Mahatma Jyotiba Phule Rohilkhand University • Bareilly • 2023 • 8.29

Intermediate

Kendriya Vidyalaya • Aligarh • 2019 • 70%

High School

Kendriya Vidyalaya • Aligarh • 2017 • 8.4

CERTIFICATIONS

WEB-DEVELOPMENT INTERNSHALA CERTIFICATE

Internshala • 2022

Internshala Completed a comprehensive training program covering web development concepts such as HTML, CSS, Bootstrap, DBMS, JS, React. Gained practical experience by completing several projects, including building a website from scratch.

SKILLS

HTML, CSS, JavaScript, Reactjs, DBMS, C++ and OOPs concept.
