Work Experience

LGV Class 1 Driver

Eddie Stobart Limited - Newport

August 2021 to February 2023

Delivery of Palletised Curtainside loads between Hasbro Newport and Cannock/Rugby for the next driver to collect. Delivery of Palletised Unilever products from Cannock mainly to one of the following destinations Tesco Magor/Asda Chepstow/Iceland Swindon/Home Bargains Aylesbury/Lidl RDCs Bridgend/Exeter/Southampton/Aldi Cardiff.

When tramping the workload was different and I was able to go further. One week I delivered for Morrisons in Bridgewater for a week after delivering to Bidfoods in Reading on the Monday Morning.

I have delivered containers to Portbury and Southampton. Currently I take empty containers to Southampton and then return with a loaded container for Hasbro. I have also taken loaded containers to other destinations in the Midlands.

Agency LGV Class 1 Driver Part time /Full Time

All Class Solutions Ltd - Llantrisant

June 2017 to August 2021

I was a driver for many haulage companys. I delivered Amazon loads between different warehouses. I have delivered curtainside loads from the brewery in Magor to Booker in Swansea, Tesco in Tilbury, Sainsburys in Emerson Green in Bristol.

I have shunted empty cans from Owens Yard Newport to the Brewery Magor. I have delivered loaded trailer both ambient and chilled for Tesco and Asda. I have pulled water tankers for Welsh Water.

I have pulled caravans for the Film/Media industry to several places over Wales and England.

I have worked for DPD delivering parcels between the local warehouses and their warehouses in the midlands.

I have worked on delivering barriers for motorway roadworks for the m4, m3, m20 and the ring road in London.

Software Developer

Liberata - Cardiff

September 2017 to June 2020

Helped in developing solutions that aided in processing of files for the reconciliation process of payments to the banks.
